Sidhu the owner of our company founded this company to deliver the best quality of product. His ethical and intellectual policies helps the team in activating the distinguished customers towards our products.

We are placed at Ludhiana, Punjab delivering our product globally in a magniloquent manner. Our productivity is extensively appreciated by our customers due well managed infrastructure and quality of product.

## Heavy Duty Wire Rope Hoist

Our Company are also specialized in designing & manufacturing of rope hoarets of various capacity for industrial purpose.. Rope hoarets are used for pulling moving rolling weight .. Features: \* corrosion resaretant \* easy operations \* high efficiency technical specifications

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Wire Rope Hoist

Backed by a team of trained professionals we are offering Electric Wire Rope Hoaret.. Our provided products are manufactured using superb quality raw material under the strict direction of our skilled professionals.. All our products are strinmensly tested upon various parameters in accordance with the industry

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Electric Wire Hoist

Our Company offer a wide range of high quality electric hoarets that perform a vital role in the functioning of various automobiles and engineering industries.. These are fabricated using premium quality raw materials procured from reliable vendors.. Hoarets are mainly used to lift and lower a load that are attached to a hook..

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Electric Power Wire Rope Hoist

Our Company supply electric rope hoaret which are extensively used in heavy engineering industries.. The wire rope hoaret manufactured by us consarets of a hoareting gearbox that can be mounted directly with rope drum and motor are mounted with gear coupling or geared brake drum enabling easy navigation.. These rope hoaret are used for up down right & left movemenst of loads.. Our Company provide an extensive range of wire rope hoaret with different lifting capacities..

### Product Details:

Minimum Order Quantity	1
Automatic Grade	Manual, Semi-Automatic
Color	Light White, Red
Load Capacity	15-20Tons, 20-25Tons, 45-50Tons
Warranty	1year, 2years

## Electrical Rope Hoist

Our Company are instrumental in manufacturing and supplying a broad assortment of electrical rope hoists. Our provided hoists are designed using supreme quality factor inputs in accordance with the international quality parameters. The provided products are known for the features like high load bearing ability functional accuracy sturdy structure accurate dimension and efficient performance. Our Company also customize these hoists in terms of size as per the detailed specifications of our customers.

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Indef Make Electric Wire Rope Hoist

Our Company are enrolled in manufacturing of industrial hoists which are used in lifting and lowering large loads through a lift wheel or drum that are wrapped around by chain or rope. Made of steel and/or fiber core these industrial hoists are in tandem with accepted industrial standards. Features: \* robust construction \* easy to operate \* durable \* corrosion resistance

### Product Details:

Minimum Order Quantity	1
Voltage	220V, 380V, 440V
Weight	1000-2000kg, 3000-4000kg

## Indef Electric Chain Hoist

Our Company offer indef wire rope hoaret indef electric chain hoaret indef electrical wire rope hoaret indef electrical hoaret indef electrical wire hoaret indef medium duty chain hoaret indef electric travelling trolley indef geared trolley indef chain pulley block indef eot cranes indef single girder eot crane indef double girder eot crane indef jib cranes indef underslung cranes indef goliath cranes indef gantry cranes indef overhead cranes indef steel plant cranes indef industrial cranes indef travelling cranes indef wall mounted cranes indef self supported cranes indef pillar mounted cranes indef electrical overhead crane indef single girder gantry cranes indef double girder gantry cranes..

### Product Details:

Minimum Order Quantity	1
Usage	Construction Use, Weight Lifting
Voltage	110V, 220V, 440V
Lifting Capacity	20-25Tons, 35-40Tons

## Hot Crane

Our Company are sales wide range of hot cranes eot cranes gantry cranes goliath cranes underslung cranes jib cranes travelling crane self supported cranes wall mounted cranes electric wire rope hoaret electric chain hoaret electric hoaret for construction industry..

### Product Details:

Minimum Order Quantity	1
Application	Construction, Industrial
Power	100-300bhp, 500-1000bhp

## Wire Rope Hoist -indef

Our Company are sales indef make wire rope hoaret indef make electric wire rope hoaret indef make electrical hoaret indef make chain hoaret indef make gantry crane indef make chain electric hoaret indef make chain block..

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Cement Plant Crane

Our Company are the largest eot cranes manufacturersss in india.. Our Company have comprehensive range of heavy duty eot crane systems double girder single girder underslung etc.. of capacity up to 500 tons for various applications in power nuclear shipbuilding steel plant heavy/general engineering sectors etc.. Our Company recommend you the perfect customareed solutions after doing an in-depth analysare of your applications production facility factory and material handling requiremensts..

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Gr Make Cranes

Our Company are manufacturers & exporters gr make cranes single girder crane double girder cranes goliath cranes gantry crane travelling crane wall mounted crane self supported crane ..

### Product Details:

Minimum Order Quantity	1
------------------------	---

## Indef Make Electric Wire Rope Hoist

Our Company are enrolled in manufacturing of industrial hoaret which are used in lifting and lowering large loads through a lift wheel or drum that are wrapped around by chain or rope.. Made of steel and/or fiber core these industrial hoarets are in tandem with accepted industrial standards.. Features: \* robust construction \* easy to operate \* durable \* corrosion resaretance
